Be sure to stay tuned to our website (www.911respondersremembered.com) to hear the latest as to traffic-flow and directions for, or near our walk route for that day.**

COMING FROM NASSAU COUNTY/NEW YORK'S 5 BORO'S/NEW JERSEY:

Alternative 1: Take Long Island Expressway East to Exit #59 (Route 93 – Ocean Avenue). As you get off the exit, and onto the Service Road make the first left onto Ocean Avenue heading NORTH. Take Ocean Avenue (1/2) mile where it will merge left into/onto Rosevale Avenue. You'll continue on Rosevale Avenue (North) for (1) mile. Rosevale Avenue ends at the corner of Rosevale Avenue and Smithtown Boulevard. You are now at the location of the Ground Breaking – not at the location for morning Registration. Find a FGF/911RR Staff member and they'll give you directions on parking and where to go.

Alternative 2: Take Long Island Expressway East to Exit #58 (Old Nicols Road). As you get off the exit, and onto the Service Road make the first left onto Old Nicols Road. Take Old Nicols Road 2.6 miles to our meeting location at 'Andreoli Park' – also known as Gibbs Pond Park. This is the corner of Gibbs Pond Road and Nicols Road. Note, as you travel north to the park on Old Nicols Road its name changes to Nicols Road – it is the same road and you are still going in the right direction. You'll be directed by volunteers as to where you should park upon arriving at Andreoli Park.

Alternative 3: Take Long Island Expressway East to Exit #53 (Sagtikos / Sunken Meadow Parkway). Take the Sagtikos/Sunken Meadow Parkway NORTH to Exit #SM1 EAST (not to be confused with S1East). This will take you onto the Northern State Parkway. Take the Parkway to its end where you will merge with the EASTBOUND Veteran's Memorial Highway (aka Route 347). Take Veteran's Memorial Highway for Two (2) miles where you'll see a fork in the road (LANDMARK: Carvel's Ice Cream Shop – dead center in front of you). Stay to your LEFT at the Fork. You're now on Smithtown By-Pass – you really haven't made any turns yet, but after the Fork the road changes names to Smithtown By-Pass. Take the Smithtown By-Pass for 3.9 miles to Gibbs Pond Road. Make a RIGHT onto Gibbs Pond Road. Take it a mere (1/2) mile to Andreoli Park – also known as Gibbs Pond Park. You'll be directed by volunteers as to where you should park upon arriving at Andreoli Park.
