

Dear Friends,

Oct. 12, 2010

On behalf of The 9/11 Responders Remembered Committee and myself, we would like to thank all of you for making our Oct 7th Fundraiser at The Water Mill in Smithtown, such a great success! Your compassion and act of kindness in helping us build the first ever 9/11 Responders Park, coming soon to Nesconset NY, will be embraced by all 9/11 Responders families, friends and communities. Our loved ones gave up their lives and we will give back to them by etching each and every one of their names in stone, for us and for future generations to see.

"You have not fallen, but stand brave and tall in our hearts"
